### **Re: Notice of Public Review & Comment Period for Draft Fiscal Years 2015-2018 Transportation Improvement Program (TIP)**

The Fredericksburg Area Metropolitan Planning Organization (FAMPO) has released for public review and comment the draft Fiscal Years 2015-2018 Transportation Improvement Program (TIP) beginning Thursday, May 22, 2014 until Friday, June 20, 2014. The intent of the comment period is to solicit input and comments from the public.

FAMPO is responsible for conducting the federally required metropolitan planning process in the greater Fredericksburg Region. Federal regulations require an MPO to develop a TIP which contains a listing of projects in their region expected to receive Federal funding over a four-year period. Federal regulations require the inclusion of any project in the Fredericksburg Region on which federal funds will be expended to be included in the TIP.

We would appreciate if you would place the enclosed draft document in the library for the public to have the opportunity to review and provide their comments. Printed comments forms have been provided for the public to use.

This document is also available for review by visiting the FAMPO website, the city/county planning offices and the FAMPO office.
