Mr. Ian Ollis
Fredericksburg Area Metropolitan Planning Organization
406 Princess Anne Street
Fredericksburg, VA 22401

Dear Mr. Ollis,

The City of Fredericksburg respectfully requests the Fredericksburg Area Metropolitan Planning Organization (FAMPO) commission conduct research of route options for a Rappahannock River Crossing west of Interstate 95. As part of this analysis, the Council would like FAMPO to consider fiscal and economic development, environmental impacts, easement issues, potential funding opportunities, route options, and impacts to existing road networks. The Council requests FAMPO staff keep the Council and other FAMPO localities informed of any research developments as they arise.

Enhancing transportation infrastructure remains a high priority of our growing region. Thank you for your attention to this matter and for FAMPO's continued commitment to enhancing mobility in our region.

Sincerely,

A handwritten signature in black ink that reads 'Timothy J. Baroody'. The signature is written in a cursive style with a large, looping initial 'T'.
